

EXPLORE WITH US!

THERE'S SOMETHING FOR EVERYONE!

We are the ideal stopover for any tour in the Eastern United States and Southeastern Canada.

LYCOMING COUNTY is located in northcentral PA along the West Branch of the Susquehanna River. Surrounded by the Allegheny Mountains, Lycoming County is the largest county in Pennsylvania. We are just minutes away from Interstate 80 and 180 and directly accessible to US Routes 15 and 220.

LYCOMING COUNTY is the cultural hub of northcentral PA. Williamsport, once the lumber capital of the world, is home to Millionaires' Row, what Victorian Home magazine referred to as "Pennsylvania's mother lode of Victorian architecture." Lycoming County is also the birthplace of Little League® Baseball, founded in 1939; the Little League® World Series is played every August with spectators worldwide visiting to enjoy the series. It doesn't take long to discover that if it's historic tours, riverboat cruises, museums, delicious dining or charming shops, then Lycoming County is perfect for your next motorcoach destination.
