HISTORY

DO YOU LOVE HISTORY?

Did you know that Lycoming County was the “Lumber Capital of the World” in the 1800s with more millionaires in a concentrated area than anywhere else in the world? Spend a day immersing yourself in the history of Lycoming County with visits to the Thomas T. Taber Museum and a cruise on the Hiawatha Paddlewheel Riverboat. Follow it up with a walk along Williamsport's Millionaires' Row National Historic District to appreciate the Victorian architecture.

ADVENTURES

Feel like getting away from it all and reconnecting with nature? Plan to spend some serious time exploring our hiking trails, waterways, state forests, and state parks. You'll be amazed by the natural beauty of our region, and we can't wait to share it with you.

PLAN A GETAWAY

While this fancy guide that you have in your hands is a great tool for planning your Lycoming County getaway, we also have a fantastic Visitors Center at 102 West Fourth Street in downtown Williamsport. Our friendly staff will answer any questions you might have about our area. Make sure to tell them Lyco sent ya!

NOW LET'S GO HAVE SOME FUN!

ATTRACTIONS

History buffs will enjoy all of the fine museums, historic sites, and historical societies. Art fans can lose themselves in our amazing galleries, and craft beer and wine enthusiasts can explore some fantastic micro-breweries and wineries. Make sure you pick up a Prince Farrington's Bootlegger Tour Passport (princefarrington.com) to help you taste and navigate throughout the county.

Looking for a fun activity for the lil' lumberjacks in your family? We have indoor playgrounds and kids fun zones. Want something that the whole family can enjoy? Experience the unbelievable exhibits at Clyde Peeling's Reptiland, or try your hand at crafts and painting at Centered Earth or Williamsport Wine & Design.

After an exciting day exploring all of the great attractions, take in a show at the Community Arts Center or spend the night having family fun at Kaos Fun Zone. There's so much to do that you'll want to make Lycoming County a permanent part of your family's vacation plans.

OUTDOORS

We lumberjacks love the outdoors, and Lycoming County, as part of the PA Wilds, is home to some of the most spectacular outdoor experiences that the Commonwealth of Pennsylvania has to offer. While you're here, you can fish, kayak, and swim all along our waterways, like the Susquehanna River, Pine Creek and Loyalsock Creek to name a few (just make sure to follow our local permit policies).

Take in some breathtaking views and vistas while hiking along the Jacoby Falls Trail, Old Loggers Path, and the Pine Creek Rail Trail. Our state and local parks and forests are filled with amazing activities like biking, camping, and hunting too. Plan a day (or two) at Little Pine State Park or Rider Park, just to mention a few. So make sure you plan to experience all that these sites have to offer. You can always visit our website, visitlycomingcounty.com, for up-to-date listings of our sporting and outdoor activities.
